3. Delivery, Payment and Fulfillment Conditions

Delivery	Standard delivery follows the lead times listed above. Expedited service is not guaranteed and must be explicitly confirmed by supplier operations before commitment.
Payment	Net 30 days from invoice date.
Special Conditions	Weekend delivery is subject to confirmation. Supplier may propose partial delivery for urgent retail cases. Product substitutions are not permitted without explicit retail manager approval.

POC CONTROL: These terms are synthetic demonstration data for the Retail Inventory Replenishment POC. They do not constitute a legally binding contract, purchase order, or supplier commitment. Inventory availability, pricing, delivery dates and any expedited service must be confirmed in the active replenishment case. No commercial communication is sent until the authorized human approval step is completed.
